SERVICE DESCRIPTIONS & APPOINTMENT TIMES

Appointment times are estimates and may vary slightly based on hair growth, density, and individual needs.

BIKINI & INTIMATE

Bikini Line | 15 minutes

Removes hair outside a standard bikini-bottom line, including the sides and slightly across the top.

Partial Bikini | 20 minutes

Removes more hair than a Bikini Line from the sides and top while leaving a customized amount in the front. Does not include the labia or butt strip.

Brazilian | 30 minutes

Removes hair from the front, labia, and butt strip. A strip or triangle may be left in front upon request. Includes a complimentary soothing Mud Mask Boost.

Butt Cheeks | 15 minutes

Removes hair from the outer surface of both butt cheeks. Does not include the butt strip.

Butt Strip | 15 minutes

Removes hair from between the butt cheeks.

Full Butt | 25 minutes

Removes hair from both butt cheeks and the butt strip.

LOWER BODY

Feet & Toes | 15 minutes

Removes hair from the tops of both feet and all toes.

Full Legs | 70 minutes

Removes hair from both legs, from the upper thighs through the ankles, including the feet and toes.

Half Legs | 35 minutes

Removes hair from either the upper or lower half of both legs. Lower Half Legs includes feet and toes.

Inner Thigh | 15 minutes

Removes hair from the inner upper-thigh area on both legs.

UPPER BODY

Full Arms | 40 minutes

Removes hair from both arms, from the shoulders through the wrists, including the hands and fingers.

Half Arms | 25 minutes

Removes hair from either the upper or lower half of both arms. Lower Half Arms includes the elbows, forearms, hands, and fingers.

Full Back | 40 minutes

Removes hair from the shoulders down through the lower back.

Half Back | 20 minutes

Removes hair from either the upper or lower half of the back.

Chest | 30 minutes

Removes hair across the chest, from the collarbone to the lower chest. The stomach is not included.

Hands & Fingers | 15 minutes

Removes hair from the backs of both hands and all fingers.

Nipples | 15 minutes

Removes hair from around both areolas.

Shoulders | 15 minutes

Removes hair from the tops and outer edges of both shoulders.

Full Stomach | 30 minutes

Removes hair across the abdomen, from below the chest to the bikini line.

Stomach Strip | 15 minutes

Removes the narrow trail of hair between the navel and bikini line.

Underarms | 15 minutes

Removes hair from the full underarm area on both sides.

FACE

Cheeks | 10 minutes

Removes hair from both cheeks, from the sideburn area toward the jawline.

Chin | 10 minutes

Removes hair from the chin and immediately beneath it.

Ears | 10 minutes

Removes accessible hair from the outer ears. Hair inside the ear canal is not treated.

Eyebrows | 15 minutes

Shapes and cleans the brow area by removing unwanted hair above, below, and between the eyebrows.

Full Face | 30 minutes

Removes unwanted hair from the entire face, including the cheeks, chin, upper and lower lips, sideburns, eyebrows, hairline, ears, and neck. Eyebrows are shaped according to your preferences.

Hairline | 10 minutes

Cleans and shapes unwanted hair along the forehead and perimeter of the hairline.

Lower Lip | 10 minutes

Removes unwanted hair directly beneath the lower lip.

Upper Lip | 10 minutes

Removes hair above the upper lip, including the corners of the mouth.

Neck | 10 minutes

Removes hair from either the front or back of the neck. Please specify the desired area when booking.

Sideburns | 10 minutes

Removes or shapes hair along both sides of the face, from the hairline toward the jaw.

TREATMENTS

MudMask Half-Body Wrap | 30 minutes

A mineral-rich treatment applied to either the upper or lower half of the body to clarify, soothe, and refresh the skin before being wrapped and removed.

MudMask Full-Body Wrap | 60 minutes

A mineral-rich treatment applied across the body to clarify, soothe, and refresh the skin before being wrapped and removed.

Phenomenal Hydration Half-Body Wrap | 30 minutes

An intensive moisturizing treatment for either the upper or lower half of the body, designed to soften dry skin and support the skin's moisture barrier.

Phenomenal Hydration Full-Body Wrap | 60 minutes

A head-to-toe moisturizing body treatment designed to deeply condition, soften, and replenish dry skin.

ADD-ONS

Hair Trimming | Add 10 minutes

Trims excessively long hair in the service area to an appropriate length before sugaring. Available only with a qualifying hair-removal service.

Mud Mask Boost | Add 15 minutes

Adds a soothing, mineral-rich mud mask to the freshly sugared service area to help calm, clarify, and refresh the skin.
